Notices of Motion

November 2018

Dear Club Secretary,

The following proposal is for discussion at the forthcoming Annual General Meeting to be held at Whitehouse & Grange Bowling Club Sunday 2nd December 2018.

Proposed by Balerno Bowling Club
Seconded by Slateford Bowling Club.

If we carry on with a 5th division East & West then we propose that it should be the winners of each section who get automatically promoted and the bottom two teams from (Division 4) are relegated down.

We would also like to propose a playoff with the runners up from division 5 east and west playing against each other with home and away games. The winner will then play the 3rd bottom team from division 4 playing home and away with the winner getting promoted or staying in division 4.

(Example, along similar lines of football league playoffs)

Yours in Sport,

R. White
EBL Secretary
